

# Duffel Implementations

## Implementation 1

**Partner:** Lufthansa Group

**Solution:** Integration of the Lufthansa Group NDC API into our aggregation platform, helping them distribute their NDC content and reach fast-growing travel startups

**Focus Area:** NDC Aggregator

**Type:** Live Implementation

## Implementation 2

**Partner:** Cathay Pacific

**Solution:** Integration of Cathay Pacific's NDC API into our aggregation platform

**Focus Area:** NDC Aggregator

**Type:** Live Implementation

## Implementation 3

**Partner:** Transavia

**Solution:** Integration of Transavia's API into our aggregation platform, converting their API from a traditional fare-based format to a modern Offer Management-based structure

**Focus Area:** Aggregator, Offer Management and Merchandising

**Type:** Live Implementation

## Implementation 4

**Partner:** Transavia

**Solution:** Integration of Vueling's NDC API into our aggregation platform, with our smart routing engine helping to protect them from unnecessary searches

**Focus Area:** Aggregator, Airline Profile

**Type:** Live Implementation
